RE: Section 5c(c)1 and Regulation 40.6 Submission. Exchange Certification of Revisions to the Goldman Sachs Commodity Index Composition and Weights for 2006. CME Submission #05-110.

Dear Ms. Webb:

On October 11, 2005 the Goldman Sachs Commodity Index ("GSCI" or "Index") Policy Committee approved the commodities and their respective weights to be included in the Goldman Sachs Commodity Index for 2006. Chicago Mercantile Exchange Inc. ("CME" or "Exchange") hereby notifies the Commission of these changes, effective with the listing of the February 2006 contract month on November 16, 2005.

The GSCI for 2006 will consist of the same 24 commodities as in 2005. A list of the commodities and their corresponding weights (calculated using the Average Contract Reference Prices for 2006, and rounded to the nearest .01 percent) in the GSCI for the February 2006 through January 2007 contract months is attached. These changes and all other rules pertaining to the calculation of the GSCI weights for 2006 will be published by Goldman Sachs in The GSCI Manual: A Guide to the Goldman Sachs Commodity Index.

The Exchange certifies that this action complies with the Commodity Exchange Act and rules thereunder.
